programs of Huron Hospice Volunteer Service**

Add as a decoration to any gift

Trim your Christmas tree

or let them fly to:

Students at Exam Time

Grandparents

Parents of Teenagers

**Friends Experiencing Tough
Life Transitions**

**Persons struggling with a chronic
or life limiting illness**

Those who are grieving

Huron Hospice is an incorporated nonprofit, which supports trained volunteers who offer compassionate care to those living with the challenges of a life limiting illness or loss. Our goal is to provide support so the individual can live every day to the fullest, with dignity, meaning and hope. The focus is on caring, not curing, and on life, not death. Hospice care extends to family members and caregivers, helping them continue to support their loved one and the ability to have time away for self renewal. Our agency provides bereavement support for adults and children. The volunteers of Huron Hospice are sensitive, respectful, and good communicators. They have completed a comprehensive training program and are committed to upholding the privacy, dignity, and self-determination of the person. Service is provided at no cost throughout the county, and is offered in homes, hospitals and extended care settings. Contact us for more information.
