What's Happening?

This spring, people across Canada will gather pledges and then Hike to raise public awareness for hospice palliative care. This major fundraising initiative will help advance the hospice palliative care initiatives in your local community.

What is Hospice Palliative Care?

Hospice palliative care provides physical, psychological, social, spiritual and practical support to people living with life-threatening illness, their loved ones and the bereaved.

Why Hike?

- 80% of Canadians say they want quality hospice at the end of life, yet less than 15% have access to it.
- Hospice palliative care is currently underfunded and under-recognized.

Team Up!

Form a team and Hike with friends, family or coworkers. Simply designate a team captain, choose a team name and have a ton of fun together!

All funds raised will be used to ensure Hospice Palliative Care Services are provided to the residents of our communities at no cost.

100% of all funds raised in our community stay in our community!

Please bring this pledge form and your pledges to the CHECK-IN DESK on Hike day.
